-Mark and Diane are highly intelligent!
Yet half the time the shirt’s on inside-out.

-Both?

-Sometimes.

-I’d be interested in the times both meet
your criteria for apparent stupidity.

-One in five!

-So! For every fifth time one or the other
has the shirt on inside out, then…

-Stop! Your type always employs language
as the ultimate fuckup vehicle!

-It’s Language! You can do anything with it!

-Apparently.

-Your sporting T-shirt’s on backwards.

-Nonsense! You can’t get me in that
foolish way.

-University Seal should be on the
front, not the back.

-Oh well...this once.

-Case closed.

-Daylight Savings...dress in the dark.

-Thousands spent on our education,
only to find there’s a reason for everything!

-You’re being sarcastic!

-Realistic.
